Re: Homecoming 2007's – Paint the Town Maroon

Date: September 10, 2007

Paint the Town Maroon is a window painting competition in which student organizations pair up with a local downtown main street business. This is a event that EKU's Homecoming Committee has developed to become more involved with the Richmond Community. We hope that you make this event a success and begin a strong tradition for the future by participating.

- Each student organization can work in pairs, but limited to no more than two.
- The businesses that are participating are located along Richmond's Main Street downtown. These local businesses will be assigned on a first come first serve basis.
- The paint used must be a water-based paint that can be easily cleaned up.
- The organizations must not disturb the flow of business, and if such an incident is reported, they will be asked to leave and will not be allowed to participate in the contest.
- Student Organizations are responsible to clean up all windows by 4:30pm, Monday, October 22nd.
CLEAN UP IS MANDATORY!
- We encourage organizations to paint their windows in conjunction with this years Homecoming theme "**2007: Mission Maroon**"!

Judging will take place on Friday, October 19th by 12 p.m. All painting must be completed by Friday, October 19th, so that judging can begin. Any window not completed will be disqualified. The winning organizations will be announced during the Homecoming Football game Halftime show and the \$200 cash prize for first place will be awarded to the Student Organization on Monday, October 22nd following clean-up.
